

Search Link – Persons and Organizations

Search ..links are shown on pages where organization or persons can be associated to the condition as reporter, provider, other facility, submitter, laboratory, contact, etc.

The screenshot shows a web browser window titled "SearchLink -- Webpage Dialog". The address bar contains the URL: <http://devosvcs/webSurveillance/SearchLink.aspx?Filter=CONDITION%20CASE%20REPORT>. The main content area is titled "Search Person or Organization" and contains the following form fields:

- Type: [Dropdown menu]
- Organization Name: [Text input field]
- Last Name: [Text input field] First Name: [Text input field]
- City: [Text input field] State: [Dropdown menu with "MO" selected]
- PersonID or Organization ID: [Text input field]

Below the form are two buttons: "Search" and "Clear".

Contact your regional disease investigation staff or the Bureau for Communicable Disease Control & Prevention at (573) 751-6113 when an organization is not found via the search.

The browser's status bar at the bottom shows the same URL and an "Internet" icon.

When click "Search",

1. Display the Person or Organization Search page.
2. The type dropdown will be filtered – See Table below.
3. No defaults on any variable. (Remove the default from the STATE field)

Search Link – Persons and Organizations

4. Select of a party on the Search page will add the selected organization's Name, Address and Telephone to the appropriate page.
5. If the record is part of a grid, it will be added to the grid in a new row that has a REMOVE link.
