Britni Hendren – Coordinator

573-751-6089

Emergency Response

- BEHS operates a 24/7 On-Call schedule to evaluate emergency events (truck/train wrecks, floods, fires, etc.)
- Maintains the Missouri Rapid Response Team
 - Assists in large scale emergency events.
 - Assists with activities between LPHA, State and Feds.

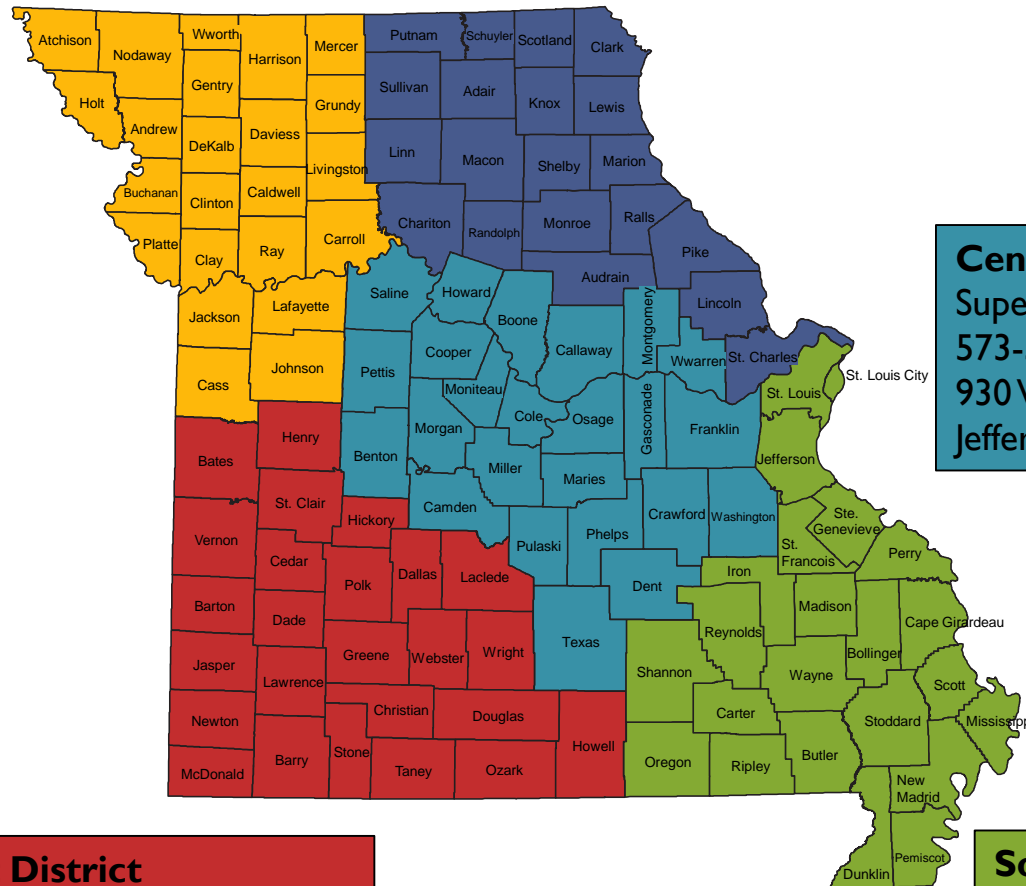

Mark Buxton – Coordinator.
573-751-6091

BEHS-LPHA Liaisons

- BEHS separates the state into 5 Districts
- Districts are lead by a Supervisor and overseen by the Field Services Coordinator.
- The District Supervisors are the point of contact for LPHAs.
- They are entry point into the DHSS system and can coordinate assistance across programs and various subject matters.

Maura Roberts and Larry Wickersham

Our goal with LPHA's

- BEHS goal with LPHAs is to assist in the development of a comprehensive risk based environmental health program, by working with both environmental staff and administration.

Services BEHS provides to LPHA

- Training
- Technical guidance
- Routine joint field work
- Capacity surge for large and/or multicounty events
- Enforcement assistance
- Program review and development
