Title: Helping Children with Grief

Training Goal: Participants will gain understanding of how grief may affect children under their care

Learning Objective(s): Participants will:

- Discuss events that can cause children to feel loss
- Recognize that children in different stages of development express grief differently
- Identify ways that they can support children during times of grieving

Topical Outline of Content	Training Method(s)	Time (in minutes)
Welcome and Introductions	Facilitator led discussion	5 min
Kinds of loss children may experience <ul style="list-style-type: none"> Death (family member, friend, pet)--permanent Other losses (separations, divorce, relocation, change in familiar surroundings, natural disasters)—sometimes temporary; may be unknown how long it will last 	Lecture	10 min
