Example: Aim Statement

I aim to reduce the amount of time it takes me to get up and out of the house during the week by 50%. I will accomplish this by May 2017. This is important because I want to get to work on time. I will achieve this by reviewing my current morning routine and identifying areas to eliminate or improve. My specific goals include:

• Reduce the time it takes to make school lunches by 50%.
• Reduce the time it takes to pick-out clothes and iron them by 50%.
• Reduce the amount of time it takes me to get ready in the morning (i.e. showering, drying hair, etc.) by 50%.
